1. Cut out each notecard.
2. Under "***What?***", write your note - just the main idea, not a complete sentence.
3. Under "***Why?***", write the reason this idea is important to know or why you think it is interesting.
4. Sort the notes into topics.
5. Write first few letters of the note's topic in the upper right corner. Then number the notes in each topic.
